

DEFENSE CONTRACT AUDIT AGENCY

MICHAEL GRENIER

FINANCIAL ADVISOR

Mr. Michael Grenier is the Financial Advisor (FA) at the US Army Medical Research Acquisition Activity (USAMRAA) located at Fort Detrick, Frederick, Maryland.

Mr. Grenier served as a Supervisory Auditor for the Fairfax Branch Office where he supervised a demand mobile team that performed numerous types of contract related audits, with the majority of audits being contract proposal reviews. Mr. Grenier's 12 years of DCAA experience also includes being assigned to the Mid-Atlantic Region Investigative Support Division, which provides investigative audit support services to federal investigative agencies and to the offices of the United States Attorney. His audit experience involves a broad range of companies in the Baltimore – Washington metropolitan area that included major contractor locations. Mr. Grenier has received numerous performance awards.

Mr. Grenier is a CPA licensed in the state of Maryland and is a member of the American Institute of Certified Public Accountants. He holds a B.A. degree in Accounting and Masters of Business Administration both from Frostburg State University, Frostburg, Maryland.
